Dear Parent/ Guardian:

The 7th grade students are required to have a Tdap (tetnus, diphtheria and pertussis) vaccine and a meningococcal vaccine prior to the start of the 2019-2020 school year.

This is a **STATE REQUIREMENT**.

The 12th grade students are required to have a meningococcal vaccine prior to the start of the 2019-2020 school year.

This is a **STATE REQUIREMENT**.

If the student has received this vaccination in the last two years please bring a copy of the medical records to the office. If the student still needs the vaccination please receive one now and bring in a copy of the record from the doctor. The doctor may fax the records to the school office at 330-947-3331. The student may receive the immunization at the Portage County Health Department on Wednesdays 8:00 am-1200 noon. This is a walk-in clinic, no appointment is necessary.

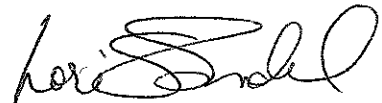

If the student does not have this vaccination he or she will **NOT BE ALLOWED TO ATTEND** after September 16, 2019.

Thank you for your cooperation in this matter.

Sincerely,

Lauren Willis
